

MA08 Applied Algebra

Grades: 20% Assignment (Attendance > 2/3)

30% Middle Examination

50% Final Examination

+0~5 Bonus (ボーナス) Points from Quiz (クイズ)

- For example:

Student S: $90 \times 20\% + 97 \times 30\% + 96 \times 50\% + 5 = 18 + 29 + 48 + 5 = 100$

- **We will hold 3 Quizzes.**

Each of the Quiz will provide at most 2 bonus points.

Each student will obtain at most 5 bonus points in the three quizzes.

- **The quiz will mainly cover:** (1) the basic knowledge learned in that Lectures;
(2) the ability to solve the questions similar to the Lecture examples or assignment questions.
